

Five Mile Dam Park Race Start/Finish Setup – Passed Playground

Red Circle – ADA access to River. Must be easily accessible – chute can be installed here, but must be easy to move for general public to access the drive

Green Bar – Timing Equipment setup, trailer can be in the grass, at the blue oval. Generator required

Green Arrows – show out and back of runner route

Red Bar – Five Mile Dam Setup Staff will place barricades here. Cars are to go around the timing equipment through the parking lot to exit the park.

Purple Box – DJ/Announcer, Registration, Vendors, Refueling. Refueling is at the top of the box, Registration is at the bottom of the box, near Timing, DJ/Announcer will be in parking spot near timing
