

Coco Brothers' 5K/10K Routes

Runners will begin near the intersection of Railroad and 5th Street. Runners will go north and follow the curve of 5th (County Road 231), turn right on Misty Lane (County Road 229). Runners will stay on Misty Lane (CR 229).

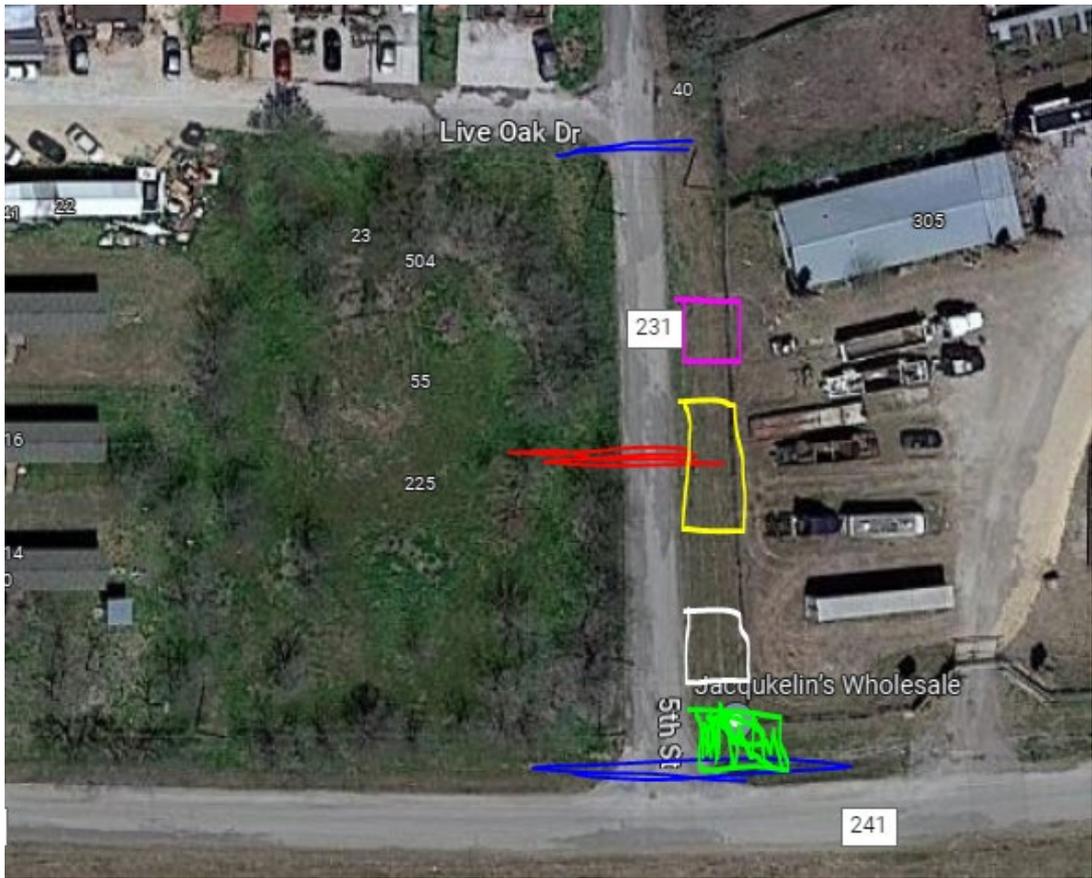

5K Runners will turn at the **X** on the map, 10K will continue on Misty Lane until it T's into Jolly Road (County Road 230). Runners will turn and go back the way they came.

Runners will be asked to stay on the RIGHT side of the road at all times to allow for safe out and back.

MCVFD will address two low water crossings the week of the race to ensure runners will be able to pass through on dry land or a dry passage. MCVFD will also close down the road to allow for safe passage for pedestrians and be aware of loose dogs on the course.

V indicates Volunteer Spots
W indicates Water Stations (2 volunteers needed at each, preferable)
